

Encounter Weekends A & B 2012

Among the values that we hold close to our hearts, there are two things that stand out: one is the need to be regularly filled with the Holy Spirit and the other is the need for our hearts to be healed from life's hurts. Over some years, we have developed the Encounter Weekends to effectively minister into both of these areas.

Topics covered on A include: Forgiveness, Awakened Heart, Judgement & Vows, Relationships, Roots & Fruit, The Occult & Generational Sin.

In weekend B areas include: The Perfect Father, Shame to Honour, The Orphan Heart, Performance Orientation, Wrong Beliefs, and The Father's Blessing.

Time after time we hear amazing testimonies of people's lives being transformed as they unhook from things that have hindered their Christian walk.

This year we have added a second weekend 'B' to follow on from the original weekend that we have been running for sometime (now called weekend 'A'). It doesn't matter which you attend first, but you will find it helpful to do both.
