What is an Encounter Weekend?

At Father's House, among the values that we hold close to our hearts there are two that stand out: one is the need to be regularly filled with the Holy Spirit and the other is the need for our hearts to be healed from life's hurts. Over some years we have developed the Encounter Weekends to minister healing and freedom to hearts and provide an atmosphere where people can encounter God's love and be filled with the Holy Spirit.

Subjects covered include:

Encounter Weekend A – *forgiveness, judgements, hearts of stone, inner vows and ungodly beliefs*

Encounter Weekend B – *the perfect Father, shame to honour, the orphan heart and sonship*
