

About Coronavirus (COVID-19)

In light of the recent outbreak of the coronavirus and the diagnosis of cases in the UK, we would like to take this opportunity to update you on the corona virus prevention measures we are making at Lox Lane Christian Encounter Centre.

Coronavirus is a mild, upper respiratory tract infection, with or without fever, and a cough that can potentially develop into pneumonia, causing breathing difficulties. Typically, with most respiratory viruses, people are thought to be at their most contagious when they appear ill with symptoms.

NHS advice on how to avoid catching or spreading coronavirus

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin straight away and wash your hands afterwards
- try to avoid close contact with people who are unwell

Staying at Lox Lane

- our on-site team adhere to high infection control standards at all times. The actions we take routinely to prevent the spread of infections are exactly the actions to be taken in respect of COVID-19.
- all accommodation at Lox Lane is en-suite plus other toilets are available on site, giving all our visitors easy access to hand washing facilities
- Paper tissues will be widely available on site
- we are installing hand gel dispensers in the Meeting room, Dining room and Farmhouse hallway for all to use as you arrive and leave the public areas. This is complimentary and best practice, however we would advise you also carry your own supply.

We will review this advice regularly and update as necessary, and all our guidance will continue to reflect appropriate government public health advice.

If you would like to know more, we suggest looking on the gov.uk website for excellent and comprehensive information www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public

Cancellation or postponement of bookings

We are aware that there is currently some uncertainty about the measures that the government will be taking to contain and delay the virus. And some concern how this will effect gathering in groups. We will continue to monitor the situation. If you have any concerns about your booking, please ring and speak to Caroline on 01747 854993, weekdays 9am – 1pm.
